ANNUAL DISTRICT EMPLOYEE ENROLLMENT

Important: This is your opportunity to select employee benefits and make your Section 125 elections for the upcoming year.

Caution: If this meeting is being conducted by an outside vendor sales representative, there is a good chance that he or she will take this opportunity to sell their products to you. Feel free to show them, or read aloud, the message on back to tell them you are not interested in their sales pitch.

Note: Many of the products they sell are inferior to the Member Benefits programs that have been vetted and are managed by CTA and NEA Member Benefits.
